### NEGRONI

A true classic; BSD Signature, Portuguese Vermouth and Campari come together as the perfect aperitif. Created in 1919, around the beginning of the last global pandemic, could there be a more fitting drink for Lockdown 2?

### THE HINCKLEY LADY

Our twist on the country's top selling cocktail but nothing like it's namesake; rich, smooth flavours from the vodka and passion fruit liqueur come together harmoniously with pineapple juice and passion fruit puree. Served with a cheeky side of prosecco, it's the perfect representation of all you lovely local ladies.

**£12.40**

### COSMOPOLITAN

A fruity, seductive and elegant blend of citrus vodka, triple sec, cranberry and lime. A favourite of New York socialites since the late 90s and cemented in pop culture thanks to Sarah Jessica Parker's character in Sex and the City, the Cosmopolitan is here to stay!

**£11.25**

Pineapple juice, coconut rum and light cream makes up the backbone of our twist on the tropical libation. We don't need to write much to sell this to you really, do we? But I bet you're singing the song to yourself right?

### MAPLE OLD FASHIONED

One of the oldest cocktails on most menus but with a distinctly Canadian twist; Kentucky Bourbon, Walnut bitters and Maple syrup. Like most Canadians, it's smooth, pleasant, chilled and has access to public health care... sorry America!
